

Message from Director of Athletics Scott Dorsett

May 19, 2020

Webb Community,

I pray that everyone is healthy and well and very excited that school is coming to a close and summer is beginning. This has been an extraordinary period in all of our lives, and we have seen the good and the bad. As we prepare to return to some sort of normalcy in our routines, I want to reach out and let everyone know of our plans to open the athletic facilities at Webb. We continue to follow the CDC and Governor Lee's recommended timetable to return to activities. We plan to open the athletic facilities Tuesday, May 26th. The Barton Athletic Center and Haun-Ragland Gym will be open Monday through Friday from 9:00 a.m. until 3:00 p.m. We will have an athletic department staff member on duty during these hours.

What does this mean to our community? We still will continue social distancing and keep our numbers below 10 when using facilities. The weight room and cardio room will be limited to under 10 as well. Our coaches are reaching out to their teams and discussing their summer plans as I send out this email. Please reach out to the athletic department if you plan to come in to work out or use the facilities. We will be posting cleaning procedures in all of our indoor spaces. We have made an investment in some equipment that will help keep our spaces safe and disinfected. Even with all of the cleaning going on, we as members of our community must take responsibility for wiping down everything after using it and washing our hands or using hand sanitizer. We will move slowly and safely into this new stage and will adjust as we see the need. It is the ultimate goal of the Athletic Department to have a safe facility for all.

We are looking forward to seeing faces in a building that has been empty and quiet. I am excited as we move forward with our summer programs and team training and get ready for the start of school this fall. I will continue to stay in touch as we move forward in this process. If you have any questions, please feel free to reach out to me.
